

**NOTICE OF PUBLIC HEARING OF THE  
CALIFORNIA HOUSING FINANCE AGENCY PURSUANT TO  
INTERNAL REVENUE CODE SECTION 147(f)**

Notice is hereby given that the California Housing Finance Agency (the "Agency") will hold a public hearing on Tuesday, September 19, 2023, pursuant to Internal Revenue Code (the "Code") Section 147(f) with respect to the proposed plan of financing providing for the issuance by the Agency of one or more separate issues of housing revenue bonds or notes in an aggregate amount sufficient to finance loans for the construction, acquisition or rehabilitation of one or more multifamily rental housing developments located in California and/or to refund bonds previously issued to finance one or more such multifamily rental housing developments located in California.

Each of the developments to be financed are "qualified residential rental projects" as described in Section 142(d) of the Code and are identified on the attached list. The attached list also provides a general, functional description of each development (including the approximate number of units in each development) and identifies the address, initial owner (or developer or general partner of the to-be-formed entity which shall own the development), and the maximum face amount of obligations to be issued with respect to each development (or the maximum amount for each site within a scattered site development, if applicable). Inclusion on the list is neither a final commitment by the Agency to finance a development nor a final commitment by the owner to participate in the financing.

In accordance with I.R.S. Revenue Procedure 2022-20, this meeting will be held by teleconference only with no physical public location.
